### ***Housing Information***

The Omega Chapter of Chi Phi at Georgia Tech is fortunate to have a beautiful, historic, three-story brick house in the heart of Tech's campus. This 17-bedroom house can support 30 active member residents. It has an industrial kitchen, a basketball court, high speed internet access, hardwood floors, a spiral staircase, and a rooftop patio. Through alumni donations, OTA is continuously investing in the house for maintenance and improvements.

Although brothers of the Chi Phi Fraternity are not required to live in the fraternity house, it is a great experience that is highly encouraged. Below are the current semester rates for Chi Phis living in the house. Members will get a chance to live in the chapter house after their first year at Georgia Tech once they are no longer required to live in GT Housing.

Room Type	Room Number	Rate Per Semester

## *Parents Committee*

Created in 2009, the Chi Phi Parents Committee is a way to allow parents to be active in their student's fraternity. This is not required for all Chi Phi parents, however it is a proven way for parents to remain involved. Last year we handed out two awards, the "Chi Phi Mom of the Year" and the "Chi Phi Dad of the Year," to the two most active parents of the chapter as a token of gratitude for their time and efforts. Parents Committee dues are only \$50 dollars annually, and those dues help to fund parents-sponsored meals, minor house improvements, and parents events.

Please feel free to contact our Parents Committee Chair Joni Owens at 770.500.7733 with any questions regarding the Parents Committee or for a parent's perspective on our fraternity.
